

**\* ATTACHED WARRANTY CARD MUST BE FILLED OUT AND RETURNED TO VALIDATE WARRANTY!**

Congratulations on making an excellent decision to purchase our exceptional warranty along with your BedLiner™ and its exceptional warranty. Since BedLiner™ is waterproof it prevents stains and moisture from reaching your mattress. This added protection acts as a warranty saver on your mattress' warranty since most manufacturers will

not honor a warranty on a stained or soiled product. If your mattress cannot be cleaned to sanitary and/or the manufacturer refuses your warranty claim due to an unsanitary condition, FabricTech2000, LLC will replace your mattress at no charge (exclusive of transportation costs) to you during the first ten years of the mattress' warranty period.

If your BedLiner™ requires replacement, a new protector will be sent to you via UPS, FedEx, DHL or the U.S. Postal Service along with a pre-paid call tag for return of the damaged or defective protector. You will be charged either on a credit card or debit card and credited upon return receipt of the original protector once that product is deemed to be defective. Protectors must be returned within 30 days to receive a credit. Replacements are covered for a period of ten years from date of delivery of your mattress at no charge (except shipping and handling). Replacement of protector is limited to three (3) during the ten-year period. Mattress replacements are limited to one per purchase.

**CLEANING INSTRUCTIONS AND CARE GUIDE**

Follow these easy cleaning instructions and you'll, not only keep your BedLiner™ clean and sanitized, but you'll also ensure that this warranty remains in effect.

BedLiner™ is machine washable in hot water and can be air or tumble dried no heat. Any common household detergents and pre-wash stain removers can be used with the exception of those containing solvents or bleaches. Do not iron or dry clean. Between machine washings, BedLiner™ can be cleaned without removing from mattress simply by brushing or vacuuming.

**NOTE: Using heat to dry or iron this product or using cleaners containing solvents or bleaches may compromise the fabric's waterproof properties and will void this warranty.**

**SERVICE PROCESS**

If, within the ten-year period, mattress ticking absorbs a stain that cannot be removed with the cleaner recommended by FabricTech2000, FabricTech2000, LLC's Warranty Claims Department will then arrange for a professional cleaner to service the stained area at no charge to the original purchaser. Service call must be arranged during reasonable business hours for FabricTech2000, LLC or their service agents with access to the mattress in order to perform the necessary warranty work.

If the authorized cleaning technician cannot remove the stain(s) on the mattress, FabricTech2000, LLC will purchase a new mattress of equal value to the original mattress purchased through the selling retailer. Delivery, any tax or set up arrangements as well as transportation and disposal charges, if any, are the responsibility of the consumer and/or the selling retailer. If selling retailer is not available to service replacement, Fabrictech2000, LLC's liability will be limited solely to purchase price of the BedLiner™ and its warranty. In no event will FabricTech2000, LLC be responsible for ticking match. Full replacements are limited to one (1) per purchase.

**CUSTOMER'S RESPONSIBILITIES**

In order to qualify for service, the BedLiner™ must have been purchased with a new mattress that was delivered soil- and stain-free from the store where purchased. This warranty does not apply to mattresses sold as reconditioned, 'as is' or floor samples. **Proof of purchase (original sales receipt and warranty documents) is required for all claims. This warranty must have been registered by mail within thirty (30) days of delivery of the new mattress. Stains must be reported no later than five business days after occurrence. ACCUMULATING STAINS ON YOUR MATTRESS OVER TIME IS DEEMED NEGLIGENCE AND WILL VOID THIS WARRANTY.**

This warranty will be void if the customer a) attempts to remove stain(s) through any other methods or with any other cleaners or stain removers than those outlined herein, b) launders or cleans BedLiner™ in any manner other than those outlined herein, or c) applies BedLiner™ improperly onto mattress or attempts to turn or move mattress without first removing BedLiner™ from mattress.
